

ASSIGNMENT OF STUDENTS TO SCHOOLS

Generally, students will be required to attend school in the attendance area in which they reside, unless the Superintendent has granted special permission.

Special permission may be granted for the following reasons:

- A. Assigned to a different school under the open enrollment option.
- B. Placed in a different school by recommendation of the Administrator of Special Education.
- C. Transferred, after evaluation by members of the professional staff, in accordance with established criteria, when it is in the child's best educational interest.
- D. If the legal residence of a child changes from one attendance area to another during the school year and the parents wish the child to remain in his former school; permission will not extend beyond the current school year.

School bus transportation will not be provided for students attending schools outside their attendance area unless specific permission is granted by the Superintendent.
