What Is Stress?

Stress is what you feel when you are worried or uncomfortable about something. This worry in your mind can make your body feel bad. You may feel angry, frustrated, scared, or afraid, which can even give you a stomachache or a headache. When you're stressed you may not feel like sleeping or eating, or you might sleep or eat too much. You also may feel cranky or have trouble paying attention at school and remembering things at home. We have included some questions about stress to learn more about how our students are feeling.
