

How do I move up on the salary scale?

According to the WEA contract, Article 24, “Movement on the salary schedule may be accomplished by College or Winchester Coursework, Curriculum Development, or Workshops, Conferences and Institutes that require 15 hours of focused study on a specific content.

For a column move to become effective, credits must be earned by August 31st and the paperwork submitted to the Assistant Superintendent’s office by October 15th. All credits earned for movement to a new column must have been earned subsequent to the movement from the current column.
