

Dear Parent or Guardian,

The Winchester Public Schools utilizes NUTRIKIDS POS for our lunch program.

For the first few days, our lunch lines may be a little slower, but once students familiarize themselves with this new system, the hope is they will be as fast as they were before.

Students will use their PIN number and/or Student ID Card that they have. This ID number will stay with the student until he/she graduates. You will receive a separate letter with your student PIN and Student ID numbers.

We also offer **MySchoolBucks!** This secure, online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. This service allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, the lunch lines will move along much faster, which gives your child more time to eat and be with friends. You can also view recent purchases, check balances, and set-up low balance alerts for FREE!

MySchoolBucks provides:

- **Convenience** - Available 24/7 on the web or through our **mobile app** for your smartphone
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

Enrollment is easy!

1. Go to www.MySchoolBucks.com and register for a free account.
2. Add your students using their school name and student ID.
3. Make a payment to your students' accounts with your credit/debit card or electronic check.
A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

We are very excited to offer this service and are confident that MySchoolBucks will benefit you, your child and our District.
