

The Winchester Public Schools are proud to provide an outstanding education to more than 4,600 students this year in our seven district schools. Winchester students learn in inclusive classrooms where we celebrate the increasing diversity of our community. Our schools consistently rate among the best in the state and the nation in terms of student academic achievement, co-curricular and athletic programs. We appreciate the support and generosity of our parent and wider Winchester community, who support many enrichment and technology initiatives in our schools.

As superintendent, I welcome opportunities to speak with and learn from parents. Please feel free to contact me at [jevans@winchesterps.org](mailto:jevans@winchesterps.org), follow me on Twitter at @JudithEvans1, or attend my monthly chats.
