

Winchester Model United Nations (MUN) Club Information

Informational Meeting for Model UN + WinMUN

What is MUN? | LEARN, DISCUSS, AND DEBATE THE WORLD!

- **Model United Nations (MUN)** is a simulation of the real United Nations that provides students with the opportunity to explore the complex intricacies of international relations.
 - Winchester HS is a **competitive high school team** practicing diplomatic debate in structured yet fun forums.
 - During formal conferences, high school students from across the globe unite in an international relations simulation that boasts a variety of committees that **parallel international decision-making** bodies of both the past and present. They debate pressing global issues and draft resolutions aiming to resolve those issues.
 - Through this political simulation, delegates learn about the **significant steps in international policy-making**, the importance of **striking a balance** between national and international interests, and the **scope of international negotiation**.
-

Club Meetings?

- Our meetings take place every other week and typically will consist of **engaging debates, practice MUN sessions, and fun crisis situations**.
 - We use our meetings to practice our debating and writing skills, along with working together to think about solutions to the world's most pressing problems.
 - Yet, throughout the year, we do our best to visit multi-day conferences across the US. In prior years, we have attended Harvard Model United Nations, Boston Invitational Model United Nations, National High School Model United Nations, and the North American Invitational Model United Nations.
-

What is WinMUN?

- WinMUN I is hosted by the Winchester High School Model UN team, designed for high school and middle school students. Whether you're an experienced MUN-nerd looking for more practice, a casual delegate looking to get your feet wet, or someone who wants to experience what it's like doing a high school extracurricular, WinMUN is the perfect conference for you.
 - At WinMUN, there will be a variety of different committees designed for everyone from experienced delegates to first-timers new to debate! Here, **all countries matter. All delegates matter**.
 - In terms of programming, WinMUN offers a wide variety of experiences. There will be Committee sessions, Workshops to improve delegate's skills, and speeches from prominent members of the MUN Committee. On that note, WinMUN is proud to announce that our opening speaker is **Naomi Carolan, Secretary-General of BOSMUN**, one of the largest conferences in the United States.
-

Why Do WinMUN?

- Besides offering great academic / educational advantages...MUN is just really FUN, TBH!
 - Learn **public speaking + technical writing** and meet other people passionate about our world.
 - Get a head on high school clubs' work! Joining events like these now can be **highly beneficial**.
 - Whether you're in it for the competition or the social experience, WinMUN is an open an engaging event **ready to cater to what you want your MUN experience to be!**
