# Teacher Mentor Program

Welcome to the Winchester Public Schools!

The Mentor Leadership Team can't wait to help you have a successful first year in Winchester. So many questions need to be answered - *How can I be a better teacher? How can I improve my classroom management? How do I know if students are learning? What assessments are most effective? Where do I make photocopies? If I have to call in sick, who do I call? Where do I park?*

As a new teacher/protégé the Mentor Leadership team will contact you to assign you a mentor (1) with a minimum of three years successful teaching in the Winchester Schools; (2) who is committed to mentoring a new educator; (3) who is committed to attending all monthly meetings; (4) who will meet with you regularly; and (5) who is willing to support you as needed.
