

Fever/ Illness

A child should remain at home for his or her own welfare and for the protection of other students if he/she has the following symptoms:

A severe cold

Persistent cough

Sore throat or swollen glands accompanied by a fever

An undiagnosed rash or skin eruptions

Earache

Red eyes or drainage from the eyes

Vomiting or diarrhea within the past 24 hours

A fever during the past 24 hours

Elementary Schools / McCall Middle School: A student should see the nurse if they become ill or sustain an injury. Only the school nurse may dismiss a student for illness or injury. Parents/guardians will be notified and will be expected to provide transportation for their child.

Winchester High School: A student who becomes ill at school should obtain a pass from a teacher before going to the Health Office. When a student is too ill to remain in school, a parent or designated emergency contact will be notified and the student will be sent home as indicated by the parent or guardian.
